

## Welcome to Currituckers ('tuckers)

Established in 1668, Currituck County was one of the first areas settled in America. Nicknamed 'The Land of the Wild Goose,' Currituck's name is derived from the Algonquin word 'Coratank,' which means 'wild goose'.

Currituck is abundant with waters, marshes, and woods. Hunting, fishing, water sports, and golf all make the county a perfect retreat for the outdoors enthusiast. By the late 1800's, Currituck County gained a reputation as a "Sportsman's Paradise," and still proudly lives up to the title today.
